

Casady School
Presents the
2002 Red River Round up
Volleyball Tournament

Coaches,

Casady School of Oklahoma City is pleased to confirm your team's entry into the 2002 Red River Round up Volleyball Tournament. Casady is excited to host this tournament for the second year in a row, and we are again committed to making this an excellent weekend of competition. There are two pools of four teams. Pool play begins at 3:00pm Friday, September 20th.

POOL PLAY

Pool play will consist of two games to 25 rally score. USAV rules apply. There will be a 27-point cap on all pool play games. Pool play will determine the team's seed in the bracket play on Saturday. The team with most games won will be seeded first on down to the fourth seed in both pools. If two teams are tied, head to head results will break the tie. If the tied teams split in pool play, the team with most points in the game they lost in the game with the other tied team only will be seeded ahead. In case of a tie in points, there will be a coin toss.

TOURNAMENT PLAY

The tournament will be single elimination, but there will be losers' bracket matches. Each match will be 2 out of 3 games to 25 points, rally score. Deciding games will be to 15 and will not be capped.

AWARDS

The 1st place and runner-up teams will receive trophies. 10 players will be named all-tournament, and one player will be named tournament MVP.

HOSPITALITY
