

Greetings from the Greenhill School athletics department!

Don't miss your chance to support each of Greenhill's 24 different athletics programs during the 2008-2009 school year, while also advertising your business, group or organization through the Greenhill sports guides. Distributed for free at nearly 400 home athletic events during the fall, winter and spring seasons combined, these full color seasonal sports guides include team photos, rosters, sports history, and more.

Greenhill Athletics has continued to compete at the top of the Southwest Preparatory Conference with 23 SPC Division I titles over the past seven school years, the most of any coed school in the conference. During the past school year, all but one Greenhill varsity program qualified for the SPC Division I brackets. The boys' tennis and girls' tennis programs both won conference championships.

Greenhill is offering advertising opportunities for businesses and space for spirit advertising to support your favorite team or group of athletes (for example: "senior volleyball players"). Profits from the sports guides supplement the Greenhill boosters operations, which assist in the funding of sports-related equipment for Greenhill athletes that are not traditionally covered by the school's general operating budget. Items such as these over the past couple of years include the new team video room, rain jackets, warm-ups, bags, pitching machines, scoreboard, storage sheds, and various training equipment ... just to name a few. Without your support and the support of the Greenhill community, the Greenhill boosters would not be able to pay for items such as these.

The Greenhill sports guides are available on the Greenhill campus at home athletic events, including Upper School and Middle School sports. The free program will also be visible at events hosted by the Greenhill Sports Center, which serves an average of more than 1,000 families each month. The programs are distributed at several other locations around the school, and during the Southwest Preparatory Conference Championships hosted during the spring season at Greenhill School.

An Ad Sales Order Form is included, along with a layout design page. You can provide ad artwork, or we can design an ad for you (at a cost of \$35 per advertisement). The design department will work to create a beautiful ad or coupon for the sports guide. **Please note that payment and ad artwork due by September 12, 2008, in order to make the fall edition.**

The Greenhill athletes and coaching staff truly appreciate your support! I look forward to working with you, and please call me if you have any questions.

Sincerely,

Mark Hough
